**Teacher:** The Sh'ma is a very important prayer to the Jewish people. Jewish people all over the world say the Sh'ma everyday and at special holidays. When do you pray at your house? (Take 3 - 4 responses from children) What do you pray about? (Take responses again)

Well there is something that God wants us to pray about. We can find it in the Bible in a book called Psalms. It says in Psalms 122:6 pray for the peace of Jerusalem. That it will go well for those who love you.

1. Peace. Does anyone know what peace means? If you are fighting with your brother or sister or friend, is that being peaceful?
2. Do you think that it is better to live where there is a lot of fighting, or where there is peace?

In Jerusalem there is fighting sometimes. God wants us to pray that it will be peaceful there. There is a special name for people that agree to pray for Jerusalem's peace. They are called Watchmen on the Wall. The way that a Watchman on the Wall protects Jerusalem is by praying to God that He will keep it safe. Would you like to be a Watchman on the Wall for God? We have a special pendant/badge that you will get to wear as Watchmen on the Wall. We're going to make one right now.
